

2018 *Chameitz* Sales Contract

During Passover, we are prohibited from eating, and even from owning, *chameitz* (leavened bread or bread products). While we do our best to get rid of any *chameitz* in our homes, there is always some remaining because we have missed it in our cleaning or it is too expensive to simply discard. To help us fulfill the mitzvah of not owning any *chameitz*, it is our custom to sell it for the holiday period. To sell your *chameitz*, please stop into the synagogue where the appropriate forms and a representative of the ritual committee will be available. Rabbi Haaz will act as your agent, selling your *chameitz* just before Passover and purchasing it back immediately after. If at all possible, this transaction should be done in person. If you are unable to come into the synagogue or have a member of the ritual committee visit you, you may include your household by filling out the form below and returning it to the synagogue no later than Friday, March 30th.

I HEREBY APPOINT RABBI HAAZ TO SELL ON MY BEHALF ANY AND ALL *CHAMEITZ* IN MY POSSESSION, WHEREVER IT MAY BE STORED OR HELD. THE SALE WILL BECOME EFFECTIVE ON March 30th, 2018 AT 10:00 a.m. YOU WILL REGAIN OWNERSHIP AT THE CONCLUSION OF THE 8TH DAY.

We have a strong tradition to offer tzedakah so that every Jewish person in the community is able to fulfill the mitzvah of having a Passover Seder. Your contribution to our Matzah Fund will help make the Passover Seder affordable to all who are in need. You can also celebrate this tradition by opening your home and your seder to others or by sponsoring someone to participate in the Adath Israel Seder on the second night of Passover.

Thank you, and have a wonderful Passover holiday with your family and friends!
