### **M&M**

*by Jonathan Shapiro*

As you all know, we have been heavily involved in negotiations to merge Temple B’Nai Abraham into Congregation Adath Israel. As I said awhile ago, we flirted with each other, dated for a little bit, and by the time you read this, my hope is we will be engaged. That is not to say the merger is final or definite, but it does mean we are moving in that direction.

Hopefully, many of you have met our friends from Meriden as they have joined us for Pray, Eat, Sing, and our services with our rabbinical candidates. In the coming months, we plan on co-hosting social events with Temple B’Nai Abraham so we can better get to know each other. The first of these social events will be a Military Whist card party to be held on March 9, 2019. Temple B’Nai Abraham hosted a similar event this past fall that I attended. Not only was it a fun evening, but it was a great way to meet many people in a short period of time. My hope is to see many of you on March 9, 2019. If all goes as planned, we will soon be one community and there is no better way to become one than to begin to get to know each other on a more intimate level. If you have any ideas for social events, please feel free to share them.

I also wanted to outline what to expect in the coming months about the potential merger. The next step in the possible merger is for our boards to sign off and approve the merger plan. After that is complete and assuming both boards approve, we will be “engaged”. Again, it does not mean the merger will definitely move forward. Rather, you will all have a say in whether the merger is approved. The terms of the merger will be provided to you and you will have the opportunity to vote on the merger at our annual meeting in the Spring. Prior to the annual meeting, we will ensure that we fully educate you all about the proposed terms of the merger and to give you time to ask any questions you may have.

We are moving forward with planning in the expectation that this will happen. The best way to ensure a smooth transition is to have as much advance planning as possible so we jointly decide how to incorporate elements of Temple B’Nai Abraham into our Congregation, and how we can be one from the start. Like us, Temple B’Nai Abraham has an incredible commitment to its members and to Judaism.

This is an exciting time for our Congregation. As I said in my last column, we have opened our doors to the greater community in the last several months in order to foster a healthy and welcoming community. As we open our doors to Temple B’Nai Abraham, please make sure you are there to greet them at the door, and make them feel at home at Congregation Adath Israel just as they feel at home at Temple B’Nai Abraham.

## ANNUAL GIVING CAMPAIGN

We are so very blessed to have members/friends who give to our synagogue community either financially or physically throughout the year. Their continued support helps to ensure the success of our synagogue, our Jewish community and the education of our children. With their generosity and all who give to our Annual Giving Campaign, Adath Israel continues to be a bee hive of activity.

Our **Board of Directors** wish to thank the following who have sent in a donation: **Lynn Bennett, Holly & Michael Simon, and Bobette & Jeffrey Kahn.**

With these tough economic times, we appreciate all the support that our members and friends have given and continue to give the synagogue.

## RABBI SEARCH COMMITTEE

As I write this article, we have just concluded the second of three scheduled visits of Rabbinical candidates. The congregation has been tremendously helpful by attending planned services and offering feedback on the candidates. Although we hope to be in a position to hire a Rabbi by the end of January, we are determined to continue our search until we've found the right candidate for our congregation.

Sandra Beckman, Rabbi Search Committee Chair

## SOCIAL HALL LIGHTS

If you have been in the Social Hall lately, you may have noticed things are looking bright. All the ceiling and stage lights that were out have been replaced courtesy of Dave Director and CT Lighting Centers. This follows Dave's help last year of replacing the Social Hall Chandelier bulbs with high lumen LEDs. That's over 50 bulbs between the two projects.

If you get a chance, please add your Thanks to ours for the Director's continued generosity to Adath Israel.

Andy Bauer  
House Chair, Adath Israel

## CHEVRA KADISHA UPDATE

For many years Lew Goldberg has headed up the Chevra Kadisha Committee. This committee manages the cemetery and makes the necessary arrangements when a grave needs to be prepared in the cemetery for a burial. The members are also responsible for ritually preparing the body of the deceased for burial according to Jewish law.

Recently, Lew informed the members that he and his wife Fran were moving to Delaware to be closer to family and nearer the beaches where he grew up. This created a leadership issue for the group with no ready successor to step in and take over for Lew. The members quietly put out the word to see if we could get a congregant to step up and take over this vital function for the congregation. Fortunately, Stuart Epstein stepped forward and said he would be honored to take over some of the duties but because of work commitments he couldn't take on the whole job. Stuart will handle the administrative duties and two members of the committee agreed to take on the other parts of the job. Richard Kamins and Mike Daling will take over the portion of the job involved with actually going out to the cemetery and insuring that the grave is dug in the appropriate place and handle coordination with the funeral home. The committee needs new members to help out with this very vital function and it is the ultimate mitzvah that one can perform. Please reach out to one of the above if you would like more information about the Chevra Kadisha.

We wish Lew and Fran much happiness in this new chapter of their lives and want to thank Lew for his many years of dedicated service to the synagogue as a past president and for his many years of heading up the Chevra Kadisha.

## Thumim Scholarship Funded by Mark and Luanne Paley An Investment in our Jewish Future

The Thumim Scholarship is pleased to announce camp scholarships are available again this year to Adath Israel families whose children will attend Jewish camp or travel to Israel. Multiple studies show the Jewish camp experience provides long term positive effects on Jewish identity and other life choices. During their lifetime, the Thumims, longtime members of Adath Israel, provided funds for these camp scholarships. Since their deaths, the camp scholarships have relied on individual donations, largely raised in honor of our Volunteer(s) of the Year. Last year and going forward into the future, Mark and Luanne Paley have committed to help fund these scholarships with a significant donation. Individual donors are still needed to maximize the number of families this scholarship can assist. Please consider donating to the Thumim Scholarship throughout the year whenever you send a card, observe a yahrtzeit, celebrate a life cycle event, or to honor the Volunteer(s) this year in the fall.

### THE THUMIM SCHOLARSHIP FUNDED BY MARK AND LUANNE PALEY APPLICATION

**TWELFTH ANNUAL RING FAMILY  
WESLEYAN UNIVERSITY ISRAELI  
FILM FESTIVAL, SPRING 2019.**

Dear Friends of the Center for Jewish Studies,

I am delighted to announce the *Twelfth Annual Ring Family Wesleyan University Israeli Film Festival, Spring 2019*. This year the Film Festival will feature a few **Connecticut Premiers** and will explore various contemporary issues related to Israeli culture. The festival will be inaugurated with the Connecticut Premier of the movie *Working Woman* which has been connected to the MeToo Movement. It will be concluded by another Connecticut Premier, *The Unorthodox*, a film which tells with a sharp sense of humor the story of the grass roots establishment of first Sephardic political party in Israel. Other films will explore disability issues (you will fall in love and laugh with the main character), questions of faith (asked by a former band leader) teacher/student relations (the Kindergarten teacher's relation with a genius boy under her care), loyalty and betrayal (in Eran Riklis latest film, *Shelter*).

All the films will be screened on **WEDNESDAY** at the **Goldsmith Family Cinema, Center for Film**

**Studies, 301 Washington Terrace, Middletown, Connecticut. Free Admission. Open to the public. On-site free parking.**

Please check the website for movie trailers:

**WORKING WOMAN**

Directed by Michal Aviad (2018)

Speaker: Laura Blum, Film Critic

**Wednesday, January 30, 2019, 8:00 PM**

Life at work becomes complicated for Orna. Her boss appreciates and promotes her while making inappropriate advances. Her husband struggles to keep his new restaurant afloat, leaving Orna the main breadwinner for their three children. When her world is shattered, she must pull herself together to fight, in her own way, for her job and a sense of self-worth.

**SHELTER**

Directed by Eran Riklis (2018)

Speaker: Dalit Katz, Adjunct Associate Professor of Religion, Director of the Center for Jewish Studies

**Wednesday, February 6, 2019, 8:00 PM**

Naomi, an Israeli Mossad agent (Neta Riskin) is sent to Germany to protect Mona (Golshifteh Farahani), a Lebanese informant recovering from plastic surgery to assume her new identity. Enclosed together in a sheltered apartment, the women develop a relationship of dependence and intimacy while their safety is threatened by various forces in the outside world. In this game of deception, beliefs are questioned, choices are made, and their fate takes a surprising turn in this suspense-laden, elegant neo-noir.

**SHOELACES**

Directed by Yaakov Goldwasser (2018)

Speaker: Eran Polishuk, Office of Cultural Affairs in North America, Director of Film & Media, Consulate General of Israel

**Wednesday, February 13, 2019, 8:00 PM**

"Shoelaces" tells the story of a complicated relationship between an aging father, Reuben, and his special-needs son, Gadi, whom he abandoned while he was still a young boy. Reuben's kidneys are failing and his son Gadi wants to donate one of his kidney's to help save his father's life. However, the transplant committee objects. Through the film's portrayal of a relationship full of love, rejection and co-dependency, it manages to shed some light and question the importance of human life and human connection.

(continued on pg 13)

**Meet Rabbi Beyer**

## REDEMPTION

Directed by Yossi Madmoni and Boaz Yehonatan Yaacov (2018)

Speaker: Laura Blum, Film Critic

**Wednesday, February 20, 2019**

Menachem, a former front man for a rock band, is now religious, and a father to a six-year-old daughter. When his daughter is diagnosed with cancer, he must find a creative solution to fund the expensive treatments. He reunites his band for one last tour. The journey to save his daughter exposes old wounds and allows him to reconnect with his secular past. Menachem understands that only a new connection to his past and to his music can pave the road to his own redemption.

## THE KINDERGARTEN TEACHER

Directed by Nadav Lapid (2014)

Speaker: Lisa Dombrowski, Associate Professor of Film Studies, College of Film and the Moving Image

**Wednesday, February 27, 2019, 8:00 PM**

“The Kindergarten Teacher” is the story of a teacher who becomes at first enchanted, and then ultimately consumed by the poetic genius of her five-year-old student. As the titular protagonist, Nira, discovers that her young student, Yoav, has an otherworldly talent for language and poetry, she slowly and progressively becomes interested in cultivating the boy's gift. However, when fascination morphs into obsession, Nira pushes the boundaries of her relationship with the boy and his family in an attempt to protect his talent.

## THE UNORTHDOX

Directed by Eliran Malka (2018)

Speaker: Amir Bogen, Gittel and Marvin Silverberg Distinguished Scholar in Residence, Center for Jewish Studies

**Wednesday, March 6, 2019, 8:00 PM**

When Yakov Cohen's daughter is expelled from school for ethnic reasons, he decides to fight back although he has no knowledge, no money, no connections and no political experience. What he does have is the will and the passion to take action,

and a belief that he and other Sephardic Jews should be able to form their own religious party. Along with two friends, they start the first ethnic political group in Jerusalem, with an operation characteristic of the people they represent: not the suit-wearing types, but rather the people working their way up from the bottom. Their operation is informal, full of love for their fellow man, animated by a great sense of humor and a whole lot of rage.

The *Ring Family Wesleyan University Israeli Film Festival* is sponsored by the Ring Family, the Center for Jewish Studies and co-Sponsored by the College of Film and the Moving Image and The Wesleyan Film Series. It is organized by Dalit Katz, Director of the Center for Jewish Studies.

See you at the movies, Dalit Katz
