BEFORE THE SUMMER

by Rabbi Haaz

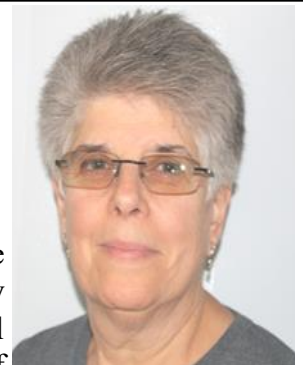

Although a number of our members tend to be away for parts of the summer, I appreciate the additional quietness in the synagogue because I love the feeling of the synagogue gearing up for religious school and the High Holy Days when everyone returns and Adath Israel bustles with energy. After too long of a winter this year, I hope that you enjoy the warmth and long days of summer. While the sunshine outside is beautiful and rejuvenating, please make a point to stop in to the synagogue on a Friday evening. On Friday evenings in the summer, the sunset bathes the main sanctuary in golden light. I expect this phenomenon to be even more spectacular this year after now that the stained-glass windows have been restored to their original brilliance and clarity. Join us for Shabbat services and be inspired by the setting of the sun and the rising of our voices. Please remember that weekday and Shabbat services run throughout the summer and that your presence and participation are deeply valued.

While the synagogue may not be as present in our thoughts over the summer, please know that you can make a significant difference to our community over the next month by helping us to

PASSING THE BATON....

by Eileen Daling

This year's Call to the Annual Meeting means my swan song begins since I will no longer be President of Adath Israel. My continued commitment to Adath Israel and this community as Immediate Past President and even after I am off the Board will continue. I will always volunteer in some way or another as this synagogue means so much to me and my family. I believe that giving of oneself is essential, thanks to the example my father showed in his life.

I would like to take this opportunity to express my sincerest thank you to all who helped me through my three years as President. Without their help, guidance, friendship and their commitment to me and Adath Israel, I would not have been able to accomplish what I did during my presidency.

I need to also take a moment to thank some special people who have been there for me over the past three years or more to answer questions, be a sounding board or just let me vent. Thank you to my husband, Michael, to my friends, Stephanie and Eliot Meadow, and to all the Board members, past and present.

continue our Jewish education in honor of Nathan Olshin, his memory a blessing. Please consider a contribution to the Nathan Olshin Scholar in Residence Fund which has brought, for the past five years since its inception, scholars at the top of their fields who have shared with us their unique innovations and their love and knowledge of Talmud Torah. We are a small synagogue, but our members and friends deserve to learn from the most dynamic scholars in the world. Their presentations and ideas allow us to challenge our inherited notions of Torah study and inspire us to grow and improve ourselves and our community. There is currently a \$2,500 match on the table for the Nathan Olshin Scholar in Residence Fund. If we achieve this match, we will secure the scholar-in-residence program for a few more years. Please help Adath Israel to realize this opportunity for continued excellence in honor of Nathan Olshin. May your summer be bathed in golden light, and may you and your families be blessed with health and joy.

Nathan Olshin Scholar-in-Residence for 2018

Dr. Ora Horn Prouser

Ora, as Dr. Horn Prouser asked to be called, gave us a weekend full of new ideas on our oldest text. She opened our eyes to the application of hermeneutics (a method of interpretation, especially of the Bible) focusing on disability. We pondered how our matriachs' and patriarchs' responses might have been affected by their or their children's disabilities and how God's behavior towards each varied with the gifts and challenges each individual faced. After kiddush on Saturday, Ora led a conversation on the affects of disabilities on our own families linking back to examples of similar struggles in the Torah. On Sunday, she shared thoughts from one of her current projects: Divine Disability.

Please donate to the Nathan Olshin Scholar-in-Residence Fund to ensure we can enjoy more amazing opportunities to learn the best Jewish scholars of our time.

(President Continued from page 1)

It is always sad to say goodbye but it is that time for Mike Sigal. He has served Adath Israel for many years as Treasurer, President and my Past President. We need to thank him for his years of service and commitment. I'm sure we can continue to count on him as Adath Israel's needs arise. Would like to thank Richard Kamins for his many years of service to Adath Israel and his agreeing to continue on the Board while also taking on the task to insure that the Nathan Olshin Scholar-In-Residence remains an essential mission here at Adath Israel. Thank you to those who have remained on the Board, those who stepped up to take on new roles and to those who have committed to come on the Board, if elected. These members will continue the important work of making Adath Israel a more vibrant Jewish community.

I want take this opportunity to say good-bye to Rabbi Haaz, Bonnie Rose and the girls both for Adath Israel and myself. It has been my pleasure to work with Rabbi Haaz while in the synagogue office and as President. Everyone here has enjoyed, learned and grown during the years Rabbi Haaz has spent with us. This congregation wishes them only the best in this new opportunity for him and his family in Pennsylvania. May you help your new community to grow, learn and enjoy your guidance as we have and may the new door that has opened for you and your family be amazing. We wish you and Bonnie Rose, Sophie and Sadie many wonderfully happy experiences with your new family at Her Zion. You all will be missed.

That being said, while this seems like a difficult time here at Adath Israel, we must prepare to embark on a new road. With an able Search Committee formed, we have started the necessary work needed for our community to engage a new Rabbi so we can continue to learn, grow and prosper. As hard as this development may be we are a strong community and we will prevail as we have in the past.

Looking forward to seeing you all at the Annual Meeting on June 3 at 9:30 am in the large social hall. If you purchased a raffle ticket or two, good luck at the drawing! Remember there is an Adult Education program immediately following the meeting in the Nester Center. Irene Silberstein will introduce us to her book, "Shrink Wrapped".

Let me wish all of you a safe and joyous summer. See you around the synagogue.

ADATH ISRAEL WORK DAY

As in our own homes, over the years items get saved, collected, and stored but really aren't needed. So too here at Adath Israel we have accumulated stuff. Therefore, I am proposing an Adath Israel Work Day. I am looking for individuals of various ages to help eliminate our useless stuff. If you are available and would like to help, please contact me at edaling21@att.net or leave a message at **860-346-0667**. I am planning for one day over the summer, either on a Sunday or one day during the week. Once I know how many volunteers I have and when most will be available, I will contact everyone and finalize the day. This is also a good opportunity for any of our older children that may need a community service project for school to accomplish that requirement. I look forward to hearing from many of you as that will enable us to complete this project in one day.

Thanks in advance.

June 26: A Lucky Child

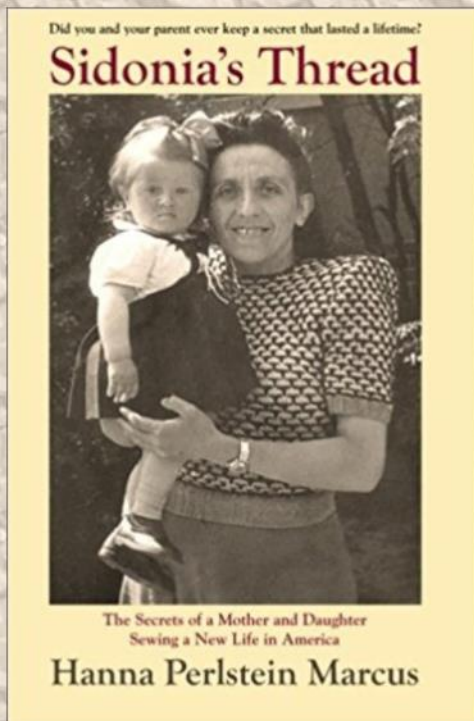

Thomas Buergenthal, now a Judge in the International Court of Justice in The Hague, tells his astonishing experiences as a young boy in his memoir *A LUCKY CHILD*. He arrived at Auschwitz at age 10 after surviving two ghettos and a labor camp. Separated first from his mother and then his father, Buergenthal managed by his wits and some remarkable strokes of luck to survive on his own. Almost two years after his liberation, Buergenthal was miraculously reunited with his mother and in 1951 arrived in the U.S. to start a new life.

After arriving in Springfield, Massachusetts from a displaced persons camp after World War II with only each other, Hanna Perlstein and her mother, Sidonia, build a world around Sidonia's remarkable talent with a thread and needle. Although Sidonia becomes well known in New England for her remarkable skill, she continues to keep her secrets about her past. Determined to craft a life of pride, self-reliance and perseverance, Sidonia teaches her daughter, who serves as her model, to "stand up straight" in fashion and in life. *Sidonia's Thread* uses sewing metaphors to tell the tale as though stitched together like a handmade garment.

11 am in the Nester Center

Shrink Wrapped by Irene Silvers (Irene Silberstein) is a humorous, contemporary love story. Sophie Marks' boyfriend abandons her in a time of crisis and her widowed mother has become a femme fatale, acquiring a lover on the internet who may be spending all her money. Sophie turns to a psychologist for help and he asks her to keep a journal. The result is *Shrink Wrapped*, a witty and irreverent love story that tracks Sophie's remarkable, amusing journey to find empowerment and happiness in a world of messy relationships and surprising twists.

Note: the book will be available for purchase on June 3rd. It is also available on Amazon, paperback or Kindle.

Proceeds from sales at this event will be donated to the Synagogue.

The 22nd Anniversary Interfaith Golf Open

Co-Sponsored by
Congregation Adath Israel & Church of St. Mary

April 12, 2018

Dear Friends,

On August 7, 2018 we will host the 22nd Anniversary Interfaith Golf Tournament at the Portland Golf Club. We hope that you can join us again as we plan on providing another great tournament this year.

In October of last year, over 400 local students and support personnel attended a very successful “Bully Free Rally and Learning Event” at the Empower facility in Middletown sponsored by the Community Foundation of Middlesex County using funds raised from this tournament. In Portland, Youth Services was able to have students attend a program on “Empowerment”, made available only through our funding. Every year your participation and support changes the lives of many in our community.

The I.G.O.T. continues to support the growth of the Interfaith Circle of Leadership, local food banks and other activities that benefit your neighbors. Your sponsorship of the 21st Annual Interfaith Golf Open, hosted by Congregation Adath Israel and the Church of St. Mary at the Portland Golf Club last August creates opportunities for many in our communities. Through your generous support, the Interfaith Golf Open distributed a record **\$82,000 to charities in Portland, Middletown** and surrounding areas. Thank you!

The role of sponsors is critical for the tournament, because it is through this partnership with business and individuals that we raise the necessary funds to support key programs and outreach at Congregation Adath Israel and the Church of St. Mary. The golf committee and volunteers understand your commitment to promote positive change in our communities and ensure the funds are spent supporting people and programs by using less than 2% on average of the monies raised in overhead expenses.

Last year we had more than 140 golfers, 50 volunteers from the Synagogue and the Church, and invited additional dinner guests with whom we shared the names of our generous sponsors. With your help we expect the tournament to continue to grow in 2018 and to provide a great way for our sponsors to receive positive exposure in the Middlesex County area.

Working together is a sign of our mutual care and respect, and your participation makes a difference. This tournament is successful due to your generosity. Thank you for considering our request. A member of the Golf Committee will follow up with you in the days ahead to secure your sponsorship for 2018!
